#### Disapplication of pre-emption rights (Special Resolution)

5 THAT, subject to the passing of resolution 4 above, the Directors be and are generally empowered pursuant to sections 570 and 571 of the Companies Act 2006 (the "Act") to allot equity securities (within the meaning of section 560 of the Act) of the Company for cash pursuant to the authority conferred by resolution 5 above as if section 561(1) of the Act did not apply to the allotment. This power is limited:

- a) to the allotment of equity securities for cash in connection with or pursuant to an offer of or invitation to acquire equity securities in favour of ordinary shareholders where the equity securities respectively attributable to the interest of all ordinary shareholders are proportionate (as nearly as practicable) to the respective numbers of ordinary shares held by them on the record date for such allotment, but subject to such conclusions or other arrangements as the Directors may deem necessary or expedient to deal with legal or practical problems under the laws of, or the requirements of, any recognised regulatory body or stock exchange or in connection with fractional entitlements, record dates or in connection with treasury shares or any other matter whatsoever; and

## NOTICE OF THE ANNUAL GENERAL MEETING

### Commentary

#### 1. Resolution 1

The Chairman will present the accounts and the reports of the Directors and auditors for the year ended 30 June 2022 to the meeting.

#### 2. Resolution 2

This resolution relates to the appointment of PKF Littlejohn LLP as the Company's auditors and the authority of the Directors to fix their remuneration.

#### 3. Resolution 3

These resolutions concern the re-appointment of John Gunn as Director of the Company in accordance with the Company's articles of association.

#### 4. Resolution 4 - Authority to Allot Shares

This resolution relates to the authority of the Directors to allot shares. Under section 551 of the Act, the Directors of a Company may allot shares if authorised to do so by shareholder resolution. Resolution 4, if passed, will provide the Directors' flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares. Resolution 4 will, if passed, permit the Directors to exercise all powers of the Company to allot shares in the Company or to grant rights to subscribe for, or to convert any security into, shares in the Company up to an aggregate nominal amount of £20,000. The authority will expire on the earlier of 30 June 2024 and the conclusion of the next Annual General Meeting of the Company unless renewed, varied or revoked at a General Meeting of the Company in the intervening period.

#### 5. Resolution 5 - Disapplication of Pre-Emption Rights

This resolution relates to the disapplication of pre-emption rights and is a special resolution. If equity securities are to be allotted for cash pursuant to the authority proposed to be given by resolution 4, section 561(1) of the Act requires that those securities are offered first to existing shareholders in proportion to the number they each hold at that time and otherwise in accordance with the technical requirements of the Act. There may be circumstances, however, when it is in the interests of the Company to be able to allot new equity securities or sell shares held in treasury for cash without first offering them to existing shareholders or otherwise than strictly in compliance with those requirements, for example to finance business opportunities. The authority proposed to be given by resolution 5 will allow the Directors to allot equity securities for cash without first offering them to existing shareholders in accordance with the Act, but limits such allotments:

- (i) to those made in connection with a rights issue or other pre-emptive offer to shareholders (subject to the Directors' ability to make arrangements to deal with certain legal or practical problems arising in connection with such an offer); and
- (ii) otherwise to a maximum aggregate nominal value of £20,000.
